APPLICANT PROCEDURES

Fee: \$22.60: All applicants will now receive an unofficial copy of their report. Fee is payable to IDEMIA.

The fingerprint-based background check is a multiple-step process, as follows:

1. **Registration** - The applicant must register prior to going to the fingerprint site. Walk in service is allowed but all applicants are required to complete pre-enrollment in the new Universal Enrollment system. Pre-enrollment can be completed online or over the phone. The registration website is available online 24 hours/day, seven days per week at <https://uenroll.identogo.com>. Telephonic registration is available at 1-844-321-2101 Monday through Friday, 8am to 6pm EST. During the pre-enrollment process, all demographic data for the applicant is collected (name, address, etc.) along with notices about identification requirements and other important information.

When registering on-line, an applicant must use the appropriate agency specific Service Code **(Volunteer Service Code is: 1KG6Y3)** to ensure they are processed for the correct agency and/or applicant type. Using the correct service code ensures the background check is submitted for the correct purpose. Fingerprint requests processed through any other agency or purpose cannot be accepted and are not transferrable. If an applicant enters the wrong code by mistake, the incorrect applicant type will appear at the top of the screen. The applicant should select the "Back to Home" button and begin the process again, by reentering the correct Service Code. If the applicant proceeds with the process under the incorrect code, the pre-enrollment and/or results cannot be transferred to another state agency and the applicant will have to start the process over and pay for the background check again.

2. **Payment** - The applicant will pay a fee of \$22.60 for the fingerprint service and to secure an unofficial copy of the Criminal History Record. Major Credit Cards as well as Money orders or cashier's checks payable to **MorphoTrust** will be accepted on site for those applicants who are required to pay individually. No cash transactions or personal checks are allowed.

IDEMIA has also established a payment option for fingerprinting services for entities interested in paying the applicant's fee. This new option provides a payment 'coupon' that the entity will provide to each applicant for use. Each coupon is unique and may only be used one time. Account applications must be completed prior to the applicant visiting the fingerprint site. The authorized representative must complete the account application. To establish a billing account, visit the website <https://www.identogo.com/locations/pennsylvania> and download an application.

3. **Fingerprint Locations** – After registration, the applicant proceeds to the fingerprint site of their choice for fingerprinting. The location of the fingerprint sites and days and hours of operation for each site are posted on IDEMIA's website at <https://enroll.identogo.com>. The location of fingerprint sites may change over time; applicants are encouraged to confirm the site location nearest to their location. PDE encourages entities where access to the fingerprint location is more than 25 miles away to contact IDEMIA and suggest areas where another closer site could be established.
4. **Fingerprinting** - At the fingerprint site the Enrollment Agents (EA) manages the fingerprint collection process. The fingerprint transaction begins when the EA reviews the applicant's qualified State or Federal photo ID before processing the applicant's transaction. Applicants will not be processed if they cannot produce an acceptable photo ID. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than three to five minutes.

Mandated Reporting Training - As a school volunteer who interacts with students, you are automatically considered a mandated state reporter. Being a mandated reporter requires you to report any form of child abuse that you have reasonable cause to suspect. A training online is provided at no cost through the University of Pittsburgh.

1. Go to www.reportabusepa.pitt.edu
2. Click on the Registration link to create a username and password.
3. Enter your username and password on the Welcome Screen to access the training.
4. The course you will be completing is called "Recognizing and Reporting Child Abuse."
5. Complete all sections of the coursework. You will be able to start and stop when needed, so the training can be completed all at once or in multiple sessions.
6. When the course is complete, be sure to print your certificate. Provide a copy to your child's building secretary.
