Dear Parent/Guardian,

We are so pleased to share with you that Avonworth Primary and Avonworth Elementary are participating in the Kids Marathon once again this year. We invite your child to be part of the fun! Join us by following the link for the Chick-fil-A Pittsburgh Kids Marathon at kidsofstream.org/races and select our team from the drop down menu on the registration page.

The 1-mile Pittsburgh Kids Marathon is a fun way for kids (and their families) to participate in the DICK'S Sporting Goods Pittsburgh Marathon weekend of events. This event will take place on the morning of **Saturday, May 4, 2019**, and is also the culminating race for the Kids Marathon training plan.

Each registered child receives:

- A confidence boost that comes from setting and achieving a goal
- Curriculum and training plan to inspire healthy habits! Kids of STEEL was awarded "Youth Running Program of the Year" in 2015 by Running USA.
- A free entry for an adult to join them on the course
- Race shirt
- Finisher medal
- Goody bag!

Please be sure to select the correct building when registering. K-2 students should choose Avonworth Primary and grades 3-6 students should choose Avonworth Elementary. Please add your child's homeroom teacher to make sure that your child is registered with our team and to ensure your child's shirt is delivered to the correct building. All Avonworth School District runners will start at the same time in the same location regardless of the building your child attends. **We will only pick up and distribute race numbers and shirts for the 1-mile Kids Marathon Race. If you register a child for the Toddler Trot or 5 K race, you will be responsible for picking up those items at the Convention Center before the race.**

The students will be able to "log" 1-mile for each P.E. class during the training period. We are so excited to be joining you and your child in of the country's largest kid's races! If you have any questions, please contact us.

Sincerely,

Kristen Buttenfield PE Teacher
