

# KINDERGARTEN HERE I COME!

**Our milestone event for early childhood education is back!**

We're thrilled to bring back this special event for some of our youngest visitors – the 16th annual kindergarten readiness celebration, Kindergarten: **Here I Come, on Saturday, August 13, 2022.**

Kindergarten is a big transition for our youngest learners. At this annual event, children entering kindergarten in the fall can experience a day full of fun activities.
