Complaints Procedure for Civil Rights Discrimination

- 1) Sponsor receives a Civil Rights complaint from the complainant
 - a) Sponsor informs complainant of Federal Civil Rights rules and regulations that have been established for protected classes. A protected class is any person or group of people who are protected from discrimination based on their race, color, age, sex, disability or National Origin.
 - b) Sponsor must provide complainant the necessary information to file a complaint, which is:
 - Mailing address of the USDA:
U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9470;
 - USDA's Telephone/Fax number and Email address:
(866) 632-9992 / (202) 690-7442 program.intake@usda.gov
 - Electronic link to file a civil rights complaint:
www.ascr.usda.gov/complaint_filing_cust.html
 - c) After providing the complainant with the information on how to file a Civil Rights complaint directly at the Federal level, sponsor will attempt to resolve the complaint if it is a matter that can be resolved quickly. Resolving complaints in real-time at the lowest possible level is encouraged. (This is not an investigation as neither the sponsor nor the State agency has the authority to conduct complaint investigations. This is simply trying to resolve the situation if it was potentially caused by a miscommunication.)

If the complainant refuses to discuss the matter any further with the sponsor or if the matter cannot be resolved quickly, then the sponsor should:

- Reiterate the complaint filing procedures above
- Document the complaint and actions taken in a Civil Rights complaint log that is separate from any other complaint log and
- Notify the State agency of the discussion

If the complainant is willing to try to resolve the issue with the sponsor and a satisfactory resolution is achieved, then the sponsor should still remind the complainant of his/her right to file at the Federal level if necessary. The sponsor will document the complaint and actions taken in a log that is separate from any other complaint log, and notify the State agency of the resolution.

- d) If the complainant wishes to file at the Federal level, the sponsor should document as much information as possible in their Civil Rights Complaint log including, but not limited to, the following:

- Complainant's Name
 - Complainant's Address
 - Complainant's Telephone Number
 - Complainant's Email Address
 - Allegation of Discrimination/Issue (FNS program involved, protected class(es) involved, etc.)
 - Date of Alleged Discriminatory Action
 - 1) The sponsor must forward the information, within 5 days of receipt of complaint from complainant, to the State agency
State Agency Civil Rights Coordinator > State Agency Director > FNS Regional Office Civil Rights Contact > FNS Headquarters Civil Rights Office > Complainant
 - 2) State agency level must forward complaint information, within 5 days of receipt of complaint from sponsor, to the FNS regional office
 - 3) FNS team conducts complaint review and investigation, which includes contact with the complainant, State agency, sponsor, etc.
- 2) Additional Information:
- a) Complainants must file within 180 days of the alleged action
 - b) Confidentiality is extremely important
